**FARMERS' MARKET NUTRITION PROGRAM-CONTINUES FOR THE FIFTH YEAR IN SOMERSET COUNTY**

The Area Agency on Aging of Somerset County, in conjunction with the Pennsylvania Department of Agriculture, Bureau of Food Distribution, is offering the **Farmers' Market Nutrition Program (FMNP)** again this summer to older adults residing in Somerset County. The Farmer's Market Nutrition Program provides \$20.00 in checks to eligible older persons to encourage them to purchase and consume fresh fruits and vegetables from local farmers markets. The Program also seeks to stimulate the production of fruits and vegetables by local growers to make their produce available at farmers markets. Through this Program our Agency will be distributing checks starting June 15, 2011 until all are distributed.

Older adults **residing in Somerset County** who are **age 60 or older**, and whose **total annual income is at or below \$20,147 for a single person or \$27,214 for a married couple** are eligible to participate in the FMNP.

If you have questions, please contact your local senior community center or the Area Agency on Aging of Somerset County Administrative Office at (814) 443-2681 or at 1-800-452-0825. You can also obtain information on this Program at our Web site [www.somersetaaa.org](http://www.somersetaaa.org).
